Sheriff Arthur Townsend, Jr., Lunenburg County,  
Legislative Committee Chairman, VSA

Mr. John W. Jones, Executive Director, VSA

**The Virginia Sheriffs' Association (VSA) recommends the following immediate actions to address the crises in mental health.**

Transport delays caused by a lack of beds translate to a critical drain of law enforcement officers available for LE services and create a budget deficit in sheriffs' budgets.

# 1. Fund the budget amendment submitted by Senator Deeds during the 2021 regular session providing critical overtime payments to sheriffs.

Item 68 #3s	First Year - FY2021	Second Year - FY2022	
<b>Administration</b>			
Compensation Board	\$3,094,378	\$773,594	GF

"P. The appropriation in this item includes \$3,094,378 the first year and \$773,594 the second year from the general fund to support the cost of providing reimbursement of overtime pay for sheriffs' deputies and regional jail officers incurred during a period when a State of Emergency and Public Health Emergency has been declared by the Governor. Such funding may reimburse overtime pay expenses incurred for extended periods of oversight by sheriffs' deputies of individuals subject to a temporary detention order, and incurred due to overtime work required by periods of absence due to illness or quarantine of sheriffs' deputies and regional jail officers due to a health pandemic."

### Explanation

(This amendment provides \$3.1 million GF the first year and \$773,594 GF the second year to reimburse localities for overtime pay expenses incurred by sheriffs' deputies and regional jails due to excessive staff absences as a result of the health pandemic and time spent in the service of Temporary Detention Orders while hospitals and mental health providers are unable to meet time requirements and provide bed space for individuals due to space limitations from the pandemic, based upon projected costs through September 30, 2021.)

## 2. Fund the budget amendment submitted by Senator Deeds during the 2021 to expand the role of the alternative transportation provider.

Item 321 #3s	First Year - FY2021	Second Year - FY2022	
<b>Health and Human Resources</b>

"2. Out of this appropriation, \$1,000,000 the first year and \$3,359,416 the second year from the general fund shall be provided to the Department of Behavioral Health and Developmental Services to make an emergency amendment to the current contract with the statewide alternative transportation provider. The emergency contract amendment shall provide for the alternative transportation provider to retain licensed security staff to provide an additional resource to law-enforcement agencies once a Temporary Detention Order has been issued and no bed is immediately available under § 37.2-810, Code of Virginia. Out of these funds, \$100,000 in the first year and \$100,000 in the second year is provided for the department to provide training and education to magistrates, law enforcement agencies, community services boards, and other stakeholders regarding the availability of licensed security staff under the contract and all alternative transportation options. The department shall report to the Governor and Chairs of the House Appropriations and Senate Finance and Appropriations Committees on the effectiveness and outcomes of the program change by October 1 of each year."

### Explanation

(This amendment provides \$1.0 million the first year and \$3.4 million the second year from the general fund for the Department of Behavioral Health and Developmental Services (DBHDS) to make an emergency amendment to the contract with the statewide alternative transportation provider (ATP). The amendment shall provide funding for licensed security staff to assist when a Temporary Detention Order is issued and no bed is immediately available. The funding includes \$100,000 in each for DBHDS to conduct training and education to stakeholders.)

3. Provide funding to address the excessive turnover of deputy sheriffs.

Corrections:	35% turnover

# Virginia State Police Deputy Sheriff Lateral Transfer Program

- Sheriffs responsible for law enforcement are losing LE certified deputies to Virginia State Police, through their “Lateral Transfer Program,” adding to the recruitment and retention struggles faced by sheriffs with primary law enforcement.
- In September 2020, 19 sheriff’s offices lost 26 deputy sheriffs to the “Lateral Transfer Program.”
